Bark Control Products:

Outdoor Bark Deterrent System (PBC19-11794)

Looks like any ordinary birdhouse that can hang in a tree, on a fence post or anywhere outside. It detects barking from up to 15 metres away and has 3 range settings. Whenever your dog – or your neighbour's dog – barks, he will hear a safe, high-pitched sound (inaudible to humans) that will cue him to stop his annoying habit. Uses regular 9 volt batteries.

Stock#	Description	Price
PS11794	Outdoor Bark Deterrent System (PBC19-11794)	\$72.95

Ultrasonic Bark Control System (PBC-1000)

A table-top, cordless ultrasonic bark controller that emits a loud ultrasound sound to deter barking of timid or small dogs. Activates automatically by bark or manually by owner. No collar needed; up to 20-foot range.

Dog Agility Starter Kit

An Affordable Agility Kit for all Dogs and their Owners!

An agility course is like an amusement park for your dog. The dog takes cues from a handler to make his way through an obstacle course while racing against the clock or other dogs. This kit is a great way to get started in the most popular dog sport that has been growing by leaps and bounds over the last few years! Enhances the bond between dog and human. Keeps your dog's senses sharpened, body properly exercised and brain occupied. Unlike many other dog sports and competitive activities, dog agility is relatively easy to learn and most dogs can do well and have fun with minimal training. Includes training tips booklet.

Enhance your dog's natural abilities as they maneuver their way through an obstacle course guided by a handler. Provides quality exercise for both dog and human.

Complete Kit Includes:

- Weave Poles.
- High Jump.
- Open Tunnel.
- Pause Box.
- Start/Finish Line.
- Stop Watch & Award Ribbons.
- Set-Up & Usage Instructions.
- Game Rules and more.
