## Kidco Pet Gates

The Strongest, Most Convenient Gates Available! Fabricated from heavy tubular steel, with a non-toxic plastic coating - safe for pets and children. Certified by the "Juvenile Products Manufacturers Association"

### Center Gateway (G15)

A top rated pressure mounted gate that installs quickly without tools or hardware, leaving no holes to damage walls or woodwork. The u-shaped frame remains firmly installed while the center walk-through door opens in either direction. Fits openings 29 1/4" to 37 1/2" wide. Constructed of tubular steel and 29 1/2" tall, it's great for kids and pets, too.

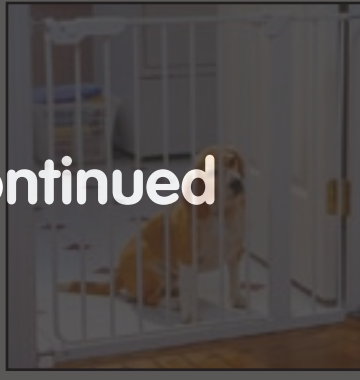

Item#	Description	Price
XP769	Center Gateway	\$119.95

### Gateway (G11)

This gate can be installed or removed quickly with no tools, holes, or screws, using simple pressure mounting. Simple one-hand release allows adult to swing gate open in either direction. Standard gate fits openings from 28" to 34". Optional extension panels will increase width to 40" or 46". Gate is 29" high.

**Discontinued**

Item#	Description	Price
XP755	Gateway	\$119.95
XP756	6" Extension	\$28.95

### Extra Tall Center Gateway (G16)

Uses pressure mount system, installs quickly without tools or hardware, leaving no holes to damage walls or woodwork. Constructed of strong tubular steel, the U-shaped frame remains firmly installed while the center walk-through door opens in either direction. At 42" tall it's great for the safety of children and confinement of large dogs while also helping owners prevent bad habits like jumping and climbing. Basic gate fits openings 29.5" to 37.5" wide. Available in White only.

Item#	Description	Price
XP770	X-Tall Gateway	\$159.95
XP771	Extension Kit, 5.5"	\$41.95

### 'Elongate' Pet Gate

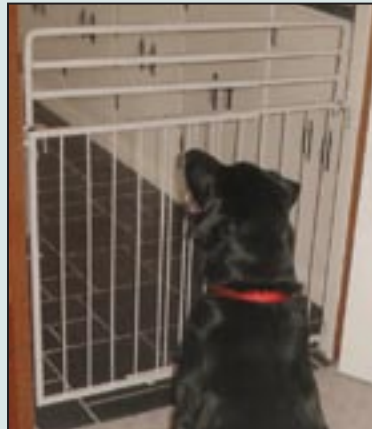

Elongate' is 29 1/2" high and fits openings of 45" to 60" wide. Optional extensions allow you to extend to 13 feet width! Can be wall mounted for safety. Walk-through door can be mounted at either end of the gate. A simple one-hand, child-proof release allows the door to open in both directions.

Item#	Description	Price
XP750	Elongate, openings of 45 to 60"	\$169.95 (F.O.B.)
XP751	24" Extension Panel	\$49.95

### Cardinal 'Duragate'

A simple, sturdy, low cost method of keeping pets and children enclosed. Sturdy all-steel construction, one hand operation, 2-1/2" bar spacing and can be mounted at any angle. Width is adjustable from 26-1/2" to 41-1/2" and with the addition of a 12" extension panel, it can expand to a 54" width. Height of gate is 29" but can be increased to 40" with the addition of the optional "Tall Pet Extension". Gate is pre-assembled and can be installed in minutes.

(Pictured with "Tall Pet Extension Panel")

Item#	Description	Price
XP710	Pet Gate	\$89.95
XP712	12" Wide Extension Panel	\$38.95
XP714	Tall Pet Extension Panel	\$39.95

### Cardinal Auto-Lock Pet Gates

**Auto-Lock Pet Gate** - Sturdy metal construction, attractive design and a user friendly opening and closing mechanism. The patented latch locks automatically with a simple swing of the gate. Gate height is 29-1/2" and fits widths from 26" - 40", bar spacing is 2-1/4". Optional 10-1/2" and 21-3/4" extensions available. Available in white only.

Item#	Description	Price
XP720	Auto-Lock Pet Gate	\$99.95

## Edemco "Galvaneal" Modular Cages

*The Affordable and Durable Solution to your Pet Containment Needs.*

Edemco's "Galvaneal" steel cages provide the durability and attractive finish of Stainless Steel at a fraction of the price. They are designed for many years of corrosion-free use. Built for use as a stand-alone cage or they can be combined in whatever configuration suites your space requirements. Manufactured from 20-gauge Galvanized steel. Wire doors are zinc-plated and come with escape proof gravity latches. Cages are shipped unassembled. All hardware is included along with assembly instructions. Floor grates and roller base sold separately.
