## Cazman 'Valu-Line' Shampoo and Conditioner

# cazman

### Shampoo's:

#### Mucky Mutt Shampoo (15-1)

A detergent free cream base shampoo. Specially formulated to provide deep cleaning and excess oil removal without penetrating the skin line. This neutral pH formulation may be used on all breeds and all types of hair coat texture. Especially useful for dogs that are inherently excess oil producing such as Cocker and hound breeds.

Item#	Size	Price
SH0002	Gal.	\$28.95

#### Tearless Luxury Shampoo (15-1)

Formulated for all breeds of all ages. This mild yet effective shampoo preparation will provide a deep clean without invading the skin line. It is a detergent free formulation and will not extract the natural oils. This is especially important in puppies and young pets that are going through skin and coat changes while attaining maturity.

Item#	Size	Price
SH0004	Gal.	\$26.95

#### Advanced Formula Conditioning Shampoo (15-1)

Formulated for all breeds and all hair coat textures. A 2-in-1 shampoo and cream rinse combination. Provides a soft silky feel without laying the coat down. While rinsing the pet, the cream rinse provides the soft silky feel and removing tangles and snags. Contains pure coconut oil extract, leaving a nice fragrance while moisturizing the skin.

Item#	Size	Price
SH0007	Gal.	\$26.95

#### Skin Relief Oatmeal Shampoo (RTU)

Hypoallergenic formula with colloidal oatmeal and hydrolyzed oat proteins in a cream base shampoo. Provides instant relief of sensitive areas due to flea infestation and skin disturbances. Also recommended for pets subject to dry skin and coat. Eucalyptus desensitizes affected areas due to food allergies, etc.

Item#	Size	Price
SH0010	Gal.	\$29.95

#### D'Limiter Organic Shampoo (3-1)

A natural shampoo using a combination of d-limonene, citronella and citrus terpenes. All ingredients in the citrus blends are natural and organic in nature. The citrus compounds are delicately blended in a non-detergent shampoo base to provide a safe yet effective bathing experience. The product is recommended for all breeds 4 months of age and older. Because of the delicate and pH controlled citrus blended with the base formula, D'Limiter will not extract essential natural oils needed for a healthy skin and coat.

Item#	Size	Price
SH0012	Gal.	\$29.95

#### All-In-One Apricot (10-1) Shampoo, Moisturizer and Conditioner

Contains "Sea Care", a unique ingredient that penetrates skin and coat to moisturize while providing relief from itching and scratching. In addition we have added "phytokeratin", which penetrates deep into the coat, restoring its natural strength, bounce, shine and highlights.

Item#	Size	Price
SH0017	Gal.	\$29.95

### Conditioner:

#### Salon Formula Conditioner (5-1)

A formulation of fine skin and coat conditioners blended in an aqueous base that removes tangles and mats without breaking the hair strands. When mixed with warm water produces a soft conditioner for both skin and coat. Contains no petroleum or oils. Can be left in or rinsed out. For light texturing a diluted mixture can be worked into the coat then brushed while drying the coat. The hair coat will not frizz. The formulation also contains Vitamins A, D & E to strengthen the coat.

#### Self Rinsing Shampoo (RTU)

Contains a blend of surfactants to suspend dirt, with emollients and skin conditioners to promote a healthy coat. One of it's outstanding features is that it does not leave a sticky residue in the coat! Self Rinse comes in the traditional purple and a colourless version.

#### Self-Rinse (coloured)

The coloured product will not leave colour in normal, unbleached or undamaged coats that are not soft.

Item#	Size	Price
